Emirates Identity Authority is urging all parents of National and Resident students to register their children under 15 years for the ID card prior to October 01, 2012 in alignment with the Cabinet's Decree No. 25 of 2011 to avoid delay charges.

Children ID card issuance process
Fill in the e-form at any of Emirates ID authorized typing centers.

Required documents:

Nationals:
- Original passport, original family book, child's photo with white background

Residents:
- Original valid and individual passport (not linked with parents), residency, child's photo with white background

Important notes:

- Children across the UAE whose residencies expire before December 31, 2012 should register for the ID card along with the residency renewal process.
- An IDN certificate should be presented when applying for the issuance of an ID card for a child who was previously registered in the population register.
- The IDN certificate can be obtained from any of Emirates ID's registration centers.
- Children are not required to be present at the typying or registration centers.
- The child's expired ID card should be presented when applying for the ID card renewal.
- In case of renewal, individuals who completed 15 years should visit any of the registration centers to get their photo and biometrics captured.
