

## Linkage Between Residency Visa Issuance and National ID Card Registration Across the emirate of Dubai

As of

**Today Sunday 01/04/2011**

### Registration Steps:

- 1 Filling ID card registration form in any of the authorized typing centers
- 2 Undergoing the medical tests in one of the Preventative Medical Centers (PMC)
- 3 Directly completing the enrollment process at Emirates ID Authority's registration center attached to the PMC
- 4 Continuing visa the usual remaining procedures for issuance of new or renewed of Residency

### Required Documents:

- For Typing Centers: Original Passport
- For Registration Centers: Original Passport + ID Card Application Form

### Note:

Applicants that already have an ID card and want to renew their residency visa should note that:

- They should fill a Renewal Application Form at the Typing Center and are required to present their old ID Card
- They Will not be required to undergo biometrics capturing unless otherwise stated on the Application Form
